

Haven Desk Dividers

The Haven Desk Divider transforms a space for collaboration into a zone of concentration and back again, just like that. Slide the panels together when you need to focus; pull the panels apart and store them flat when you need the open space. No tools required. Product Care

Handling & Storage

Handle products with care so as to avoid folding the polyester felt, chipping its edges, or indenting its faces. Store products in their original containers in a well-ventilated area until the intended application environment is ready for installation. Allow products to acclimatize to environmental conditions. Lay them flat on their faces; do not stand them on their edges. Protect from moisture, heat, direct sunlight, and the elements.
